Centurion Aircraft Maintenance Management System (CAMMS) Training Seminar

Centurion AMS welcomes you to join us for a day of training on the features, functionality, and user interface of the Centurion Aircraft Maintenance Management System (CAMMS). This is your opportunity to educate yourself, clarify information, and ask questions on the CAMMS product.

The comprehensive overview of the CAMMS system includes:

- Setting up CAMMS
- Understanding the Fundamentals
- Initial Operational Setup of CAMMS
- Working with Components & Logbooks
- Viewing Aircraft & Logbook Reports
- Performing Maintenance
- Searching Database
- Introduction to File Manager & Message Center
- Maintaining CAMMS

**It's
FREE!**

The seminar will be a catered event to include a Continental Breakfast and Chef's Sandwich Buffet Lunch.

We Look Forward to Seeing Everyone There!!!
